

- Club del Mare

The sailboats used for the school will be: **Trident, Optimist, FJ, L'Equipe** and **420**.

The Trident is a sailboat used for the course for beginners

The Optimist and L'Equipe will be used for the course for 15 year old and younger participants that have already attended the course for beginners or that however have good sailing experience.

Finally the 420 and FJ are two boats, technically very complete, used for the advance course for the adults.

The sailing course is taught by experienced instructors registered with the Italian Sailing Federation.
