Hotel Villa Ottone, Island of Elba

the essence of privacy and refinement

Elegance is the keynote of the interiors and exteriors of a five-star hotel which underwent large-scale renovation during winter 2007.

An exclusive Wellness Centre completes the amenities of Elba's only Hôtel de Charme.

With all the charm of a historic country house, this splendid hotel stands overlooking the sea with a unique view, surrounded by magnificent long-established wooded grounds reaching down to the **private beach. This oasis of peace, just 3 kilometres from the Acquabona Golf Club,** offers its guests a charming restaurant in the grounds, a swimming-pool, a tennis court and a children's activities centre in verdant surroundings.

The facilities on offer are completed by the **brand-new Wellbeing Centre and Hair Stylist.** The Villa cannot fail to delight with the elegant frescoes of the saloon, the delightful **Suites and the rooms with names that evoke a glamorous past: Prestige, delle Colombe, della Contessa and De Luxe.** **The Cottages,** with new chromotherapy bathrooms, and the Hotel's Superior rooms, Suites with 50 square metre terraces and panoramic sea view, and Classic rooms, all renovated, **offer exceptional comfort.**

The atmosphere of enchantment is particularly strong at dusk, when the sun slowly sinks beneath the horizon to the notes of a piano whose music softens the austerity of the old colonnade.

The romantic, exclusive atmosphere helps to make this Hôtel de Charme a holiday paradise.
