

Villa Poe

Villa PoE

..strong the nature, sweet the well-being.

A napoleonic era farmhouse surrounded by the greenery situated in the protected **National Park of the Tuscan Archipelago**.

Subdivided into three independant apartments, each with its own seperate entrance, on three different sides of the property.

A place of total relaxation surrounded by the luxurious mediterranean vegetation, but just a few moments from the center of **Porto Azzurro** and the nearest beach

The large property and garden include areas for relaxation, an outside shower and barbecue - where you can prepare the freshly caught fish directly bought on the seafront from the local fisher boats.

All apartments consist of two rooms and service and include a double and single bed, double sofa bed in the living/dining room, fully fitted kitchen, showeroom, satTV, patio area with own gazebo.
